MISSION AND PURPOSE

- To discover, collect, preserve and study historical places of interest, structures, records and artifacts relating to the history of Silver City and its surrounding area
- To promote the recordings, preservation and study of sites and objects of historical significance to the area.
- To maintain historical collections, archives and memorabilia for education and research.
- To attempt to attain a finer public spirit by engendering in the townspeople a greater appreciation and knowledge of the history.
- To work cooperatively and collaboratively with other public and private organizations in order to sponsor and promote programs and events of mutual interest.
- To work closely and in cooperation with the SCVFD and other Silver City organizations for the common interest of looking after the well-being of the community and its assets.
